

# Backend Development for Telecommunications Organization

## PROJECT DETAILS

A Web Development

B May. - Sep. 2019

C \$10,000 to \$49,999

D *"They were very serious about deadlines."*

## PROJECT SUMMARY

Glajumedia provided website development services, working on a new version of the company website's backend. They used HTML and JavaScripts to adjust the presentation.

## PROJECT FEEDBACK

The team delivered an excellent website backend, meeting all the requirements and ensuring that they addressed the changing scope as needed. They were punctual, reliable, and always completed tasks on time.

## The Client

Introduce your business and what you do there.

I work at Ospitel, a telecommunications company. I'm in charge of the website.

## The Challenge

What challenges were you trying to address with Glajumedia?

We hired them to create a new design for our site's backend.

### CLIENT RATING

Quality: 5.0

Schedule: 5.0

Cost: 4.0

Would Refer: 5.0

## The Approach

### What was the scope of their involvement?

They had to adjust to how our site had been created: it was developed in .NET, but they used HTML and JavaScripts to change its presentation.

### What is the team composition?

I was directly in touch with three people.

### How did you come to work with Glajumedia?

Our company held a public RFP. Glajumedia participated and were selected.

### How much have you invested in them?

We spent \$59,200.

### What is the status of this engagement?

We worked with them from May–July 2019.

## The Outcome

### What evidence can you share that demonstrates the impact of the engagement?

They met all our requirements and were very helpful. We had lots of changes in the scope throughout the work, but they were always there when we needed them.

## How did Cualit perform from a project management standpoint?

They were punctual and met all our deadlines. We've just launched an RFP for another project and they got it, so we'll be working together once again.

## What did you find most impressive about them?

They were very serious about deadlines and always completed things on time. Their work is also very good.

## Are there any areas they could improve?

They could do better on the creative side, in terms of presentation.
